

# Looking for Community Service?

The Howard County Health Department Tobacco Enforcement Unit is actively and continuously recruiting high school students to volunteer in assisting with undercover tobacco enforcement inspections. Inspections provide an opportunity for civic-minded students to support their community in a unique and exciting way.

To qualify, you must:

- *Be 14-17 years of age*
- *Possess a valid Maryland's Drivers license or Valid identification card*
- *Obtain Parental consent*
- *Be of good moral character, verified through reference checks*

*This is a fun and exciting learning experience that you just can't pass up! For more information, contact Nichole James at the **Howard County Health Department** at 410-313-6266. With your help, we can make a difference in the fight against tobacco sales to youth!*

*HC DrugFree is a proud partner of the Howard County Health Department and committed to keeping teens drug and alcohol free.*
