- Over-the-counter medication
- Sharps (Syringes, Needles, Epi-Pens, etc.)
- Vitamins
- Pet Medications
- Vape Devices (with batteries removed)

Our Drive-thru Drug Take Back Event Looks a Bit Different...

The next Drug Take Back Day is almost upon us, and we're prepared to sally forth into the post-pandemic world and bring back our long awaited drive-thru drug disposal event!

So, what does HC DrugFree's drive-thru Drug Take Back event look like in the age of Coronavirus? We hope it will look a lot like previous Take Backs, but we are tweaking a few things:

- **Please wear a mask**

We are requesting that all participants wear a mask as a courtesy to those around them, whether you are dropping off medication and sharps or volunteering.

- **Please maintain physical distance of at least 6 feet**

While it pains us to do so, we'll have to save the hugs and handshakes for another event. Please allow plenty of space between yourself and others.

- **Please use containers that you do not want back**

At previous events, we've returned boxes, bags, and bins to those who have requested them back, but for this event, we cannot do so.

We hope that these changes will not come as too much of an inconvenience as we all work toward the common goal of keeping our community safe and healthy. Please invite everyone you know to clean out their medicine cabinets and come to our **Drive-thru Medication and Sharps Collection!**

Howard County Drug Take Back Day

October 24th, 2020 between 10 a.m. - 2 p.m.

Wilde Lake Village Center

10431 Twin Rivers Rd

Columbia, MD 21044
