Empowering the Community

HC DrugFree: Keeping Howard County *in the KNOW!*
...knowledge is power, so just say KNOW

Have You Made Your End-of-Year Donation to HC DrugFree?

It's New Year's Eve and 2021 is just on the horizon. Despite the challenges of this year, we're proud of the resilience of our community, our friends, and our neighbors. We accomplished a great deal by working together, and for that, we all should be proud.

At HC DrugFree, we understand how challenging it can be to stay informed, which is why we are dedicated to keeping Howard County *IN THE KNOW*. Our mission is to give you, and your loved ones the resources you need to stay healthy and safe.

Not even a pandemic could stand in the way of our commitment to Howard County, and through the wonders of technology, we were able to offer educational opportunities such as our middle school Life Skills Classes and Parenting Classes. We were also able to continue our work with the Teen Advisory Council!

Although much of our work was virtual, we did have the opportunity to see one another face-to-face at our [Drive-Through Medication & Sharps Collection](#) in October where we collected **1,211.5 lbs of medication** and **26 bins of sharps!**

[You can view the slideshow of the event here.](#)

We did this thanks to the support of all of YOU: our friends and neighbors, who stood by us and our commitment to keep Howard County informed, safe, and DRUG FREE.

As a nonprofit organization, HC DrugFree depends upon the generosity of organizations, businesses, and individuals to support the free education, prevention services, and events we provide that helps keep our great community safe.

Please consider becoming a **Friend of HC DrugFree** by making a donation in any of the following amounts:
