

HC DrugFree: Keeping Howard County *in the KNOW!*
...knowledge is power, so just say KNOW

The world's favorite season is the spring.
All things seem possible in May.

Edwin Way Teale

HC DrugFree's Take Back Event Slideshow

Please take a few minutes to enjoy HC DrugFree's [commemorative slideshow](#) of our April 30 drive-thru medication and sharps collection and the Hidden in Plain Sight trailer tour.

Again, thank you to the community, our partners, and our dedicated and caring team!!! Together, we collected 1,157 lbs. (40 white bins) of medication. The additional 21 red bins of sharps were not included in the weight.

Thank You to All Marylanders

The Maryland Department of Health and the Opioid Operational Command Center thanked all Marylanders who dropped off medication at Saturday's Take Back events held across the State.

On Thursday, HC DrugFree's site received this shout-out:

"Lt. Governor Boyd K. Rutherford also took part in the event by volunteering at Wilde Lake Village Center in Howard County to assist with collection efforts with HC DrugFree."

"By removing unused drugs from the home and disposing of them safely, we stop medications from being misused and reduce the risk of overdose," said Lt. Governor Rutherford. "It is our collective impact, working with state, federal and local agencies, as well as the community-based organizations, that will help us further reduce the number of overdoses in our state and save lives." [Read more.](#)

Thank you, Lt. Governor Rutherford for being on HC DrugFree's team!

We Need YOU!

It's simple. If you like our work, please donate today.
