When to Seek Help

People seek professional behavioral health treatment for many reasons. Among the signs and symptoms that may signal the need to consult a behavioral health professional are:

- Threats or persistent thoughts about suicide
- Persistent feelings of hopelessness and despair
- Frequent feelings of anxiety or nervousness
- Sleeplessness, frequent waking or excessive sleeping
- Persistent, noticeable difficulty concentrating
- Increased use of drinking or smoking to cope with moods
- Unusual lack of appetite or excessive eating
- Unusual difficulty making decisions or handling routine tasks
- Unpredictable or frequently changing moods
- Withdrawal from others or from responsibilities
- Hypersensitivity to words or actions of other people
- Excessive crying or emotional outbursts
- Feelings of panic about specific things or activities
- Behaviors or ideas that are perceived as noticeably odd by others
- Hearing voices that no one else seems to hear

CRISIS SERVICES

Mobile Crisis Team

410-531-6677

MCT is a partnership between the Police Department, Humanim, and Grassroots Crisis Intervention. During hours of operation, MCT staff is able to respond to a psychiatric crisis identified by the police. MCT is available by calling 410-531-6677, or by calling 911 and requesting the Mobile Crisis Team. Two mental health professionals go the location of the individual and explore support to de-escalate the crisis and help the person in trouble. If there is an issue of safety, the team is able to gain police assistance to have the person transported to the Howard County General Hospital Emergency Department for a thorough psychiatric evaluation. MCT will refer the individual and family members to available community resources and follow-up to assure linkage.

The Village is a private, nonprofit, psychiatric unlocked residential treatment facility for males and females ages 5-14 located in Culpeper County Virginia. The Village provides a clinically sophisticated therapeutic program utilizing an interdisciplinary approach specializing in the treatment of children and adolescents with mild to severe trauma or neglect, psychiatric disorders, and neurodevelopmental disorders. The Village brings the light of love and healing into the lives of countless abused and neglected children, and those suffering from psychiatric and behavioral disorders. Our unique location on a 270-acre horse farm provides a nurturing treatment setting with a variety of therapy resources. Children live in separate home-like cottages based on age and gender. Each child has daily opportunities to pursue a variety of recreational activities:

horseback riding, community outings, hiking and biking trails, rope courses, team sports, Go-Kart track, swimming, and a children's choir.
