**HCDrugFree**  
Empowering the Community

Most people who misuse prescription drugs get them from family, friends, and acquaintances.

You can make a difference in the lives of your loved ones by keeping track of your prescription and over-the-counter medication, by rethinking where and how you keep your medication in your home, and by safely disposing of any expired or unwanted medication.

**Give Us Your Meds & Sharps!!!**

**This Saturday: Free Naloxone Training**

In addition to our drive-thru medication & sharps disposal and free medication storage boxes, please join us tomorrow to receive FREE Naloxone training. Participants who complete the training will leave with the medication and the knowledge of how to intervene if they witness an opioid overdose in progress. Walk-ups welcome.

## Hey, "Older" Volunteers, We Want YOU!

As always, many of the teens are cancelling at the last minute due to their busy schedules, so we **need our adult volunteers to step up** for tomorrow's medication & sharps disposal event.

Please be part of our team tomorrow, Saturday, October 29 from 10 a.m. to 2 p.m. Volunteers start as early as 9:15 a.m., but feel free to **volunteer for whatever time fits your schedule.**

**Bring a chair...bring a friend...make new friends...enjoy the beautiful fall weather while helping the community.** Relax and enjoy.

Medically-trained and non-medical personnel wanted. All help appreciated.

Please sign up by 2 p.m. today by using these links OR simply come to the Wilde Lake Village Center parking lot as early as 9:15 a.m. and head straight for the Volunteer Table to sign the waiver, get a t-shirt, and become a part of our team.

Volunteers under 18 years old, must have a parent or guardian sign all waivers.
